MEMORANDUM FOR:

SUBJECT : Reimbursement for Communications Services

1. With reference to the attached letter from Elmer B. Staats, I have been asked by the Director of O/BPAM to convene a meeting to discuss the last sentence in the letter. You will at once recognize that the subject of reimbursements for communications services is not new, however, the Bureau of the Budget may be hoping to exert greater pressure on us than has been true in the past. Even this possibility is not certain however.

2. My hope is that we can meet in my office, Room 6 E 08, on Monday, November 16, at 2 p.m. for purposes of discussing the subject in general and on the basis of such a discussion, determining whether future study is desirable. If you cannot attend at that time, please inform me without delay.
